

New Website Agenda Mock Up

Notes:

- Each day will be on different pages, you can navigate between days via the buttons on the top and bottom of the page
- The date will appear on the top of the page and correspond with whatever button they click

Agenda Mock-Up & Spacing Between Sections

- * Download Agenda Button to Day Buttons: 110 points of vertical spacing between the "Download Agenda" button and the Day buttons.
- * Agenda Year Title: 105 points of spacing between the agenda year title and any adjacent elements.
- * Day Buttons to Day Date: 40 points of spacing between the Day buttons and the corresponding day date.
- * Day Date to First Section: 40 points of spacing between the day date and the first agenda section.
- * Between Agenda Boxes: 26 points of spacing between individual agenda boxes.
- * Time Bar to Steam Boxes: 15 points of spacing between the time bar and the session detail title.
- * Session Title to Top Color Bar: 15 points of spacing between the session title and the top color bar.
- * Session Title to Speaker Name: 15 points of spacing between the session title and the speaker name.
- * Speakers Beside Each Other: 48 points of spacing for speakers displayed side by side.
- * Speakers Stacked Vertically: 15 points of spacing for speakers stacked on top of each other.
- * Bottom Speaker to Session Detail Button: Approximately 40 points of spacing from the bottom speaker to the last session box (this may vary based on the number of speakers).
- * Day Buttons Under Last Session: 80 points of spacing from the line to the last session content box and from the line to the bottom Day buttons.
- * Previous Sessions and Website Footer to Day Buttons: 170 points of spacing day buttons and previous session section as well as previous session section to website footer.
